Dear Graduating Students!

Personal data:
Please check your personal data in the Neptun (name, mother's name, date and place of birth etc.), and if needed, correct it. Some of them could be corrected by you in other cases the International Office can help. The Diploma will be created by the data in the Neptun.

Debts:
If you have any debts (for the University, Faculty, Library) please pay urgently. You cannot take the State Exam with any debts. Regarding tuition fee, please contact Ádám Losonczi directly.

Professional training
Anybody who has finished the professional training but have not submitted the Certification of fulfilment and the one-page report about the activities please, do so ASAP!

Contact: szakmaigyakorlat@inf.unideb.hu

Final Pre-degree certificate (Absolutorium)

The final state examination is only open to students with an Absolved status. We can absolve students who have all the required subject results, including the internship, entered in Neptun by 12 noon on the day before the state exam.
The requirements for completion are constantly checked in Neptun.
For those who are absolved in the autumn semester 2024/25/1, the end of the student's status will be 14th February 2025.

State Exam period
State Exams will be held between 7-14 January 2025. The State Exams are prepared for traditional (personal attendance) way.
https://inf.unideb.hu/en/information-graduating-students-0

Creating the State exam order for the exact days is in progress. The order is created by the Education Office which will be available in the Neptun by 30th of November 2024.
You can check in the Neptun:
Menu -> Exams ->Final exams

You cannot deregister yourself after the order was created. If you do not take the State Exam, please send an e-mail to the to@inf.unideb.hu.

You can check the expected starting time and row number, but only 1 day before the Exam date at latest: Menu -> Exams ->Final exams

Final State Exam Topics:
https://inf.unideb.hu/en

Students/ DEGREE MAJORS and choose your major

Thesis, presentation:
The thesis is defended at the final examination.
