Dear Graduating Students!

Personal data:
Please check your personal data in the Neptun (name, mother's name, date and place of birth etc.), and if needed, correct it. Some of them could be corrected by you in other cases the Coordinating Center for International Education can help. The Diploma will be created by the data in the Neptun. *Please note, that as the Diploma is an official public document, any modification or correction of personal data requested after the Graduation Ceremony can only be made following the invalidation of the original Diploma. In such cases, the invalidation of the previously issued Diploma will also be indicated by an official endorsement on the newly issued Diploma.*

Debts:
If you have any debts (for the University, Faculty, Library) please pay urgently. You cannot take the Final Exam with any debts. Students with debt cannot be assigned to Final Exam date. Regarding tuition fee, please contact Ádám Losonczi directly.

Professional training
Anybody who has finished the professional training but have not submitted the Certification of fulfilment and the one-page report about the activities please, do so ASAP!
