

Subject	Teacher	Offerings
Advanced Development of Autonomous Vehicles I	Laszlo Kovacs	If you attend 8 lectures, the written exam mark, if it is at least a 2, is automatically increased by 1 mark.
Advanced machine learning	András Hajdu	4 verified presentations count as part of oral exam
Business Informatics	Sándor Pecsora	5 lecture attendance is worth 2 points
Computer Graphics	Roland Kunkli	1 extra absence opportunity for attending 5 lectures.
Data management	Laszlo Kovacs	If you attend 8 lectures, the written exam mark, if it is at least a 2, is automatically increased by 1 mark.
Data Mining	Márton Ispány	1 more missing at the lab after 4 lectures
Data science lab	Laszlo Kovacs	If you attend 8 lectures, the written exam mark, if it is at least a 2, is automatically increased by 1 mark.
Data Structures and Algorithms	Carolin Hannusch	Attending 4 lectures means number of allowed missed classes increases by 1
Declarative programming	Péter Battyányi	10 attendances count plus 1 grade in the end. (only valid for results higher than grade 1)
Foundations of artificial intelligence	Balazs Harangi	After attending 10 lectures, ignoring one question of the written exam, chosen in advance by the student.
Information and Knowledge Management Labor	Gyöngyi Bujdosó	If the student's score has reached a sufficient (pass) mark, the participation in Professional Days can be counted: 2 points per lecture, up to a maximum of 6 points.
Introduction to 3D game development	Kinga Kruppa	1 extra absence opportunity for attending 5 lectures.
Introduction to Cloud Technologies	Ádám Tóth	A lecture attendance is worth 1% to be added to your test result, at most 5% can be earned this way
Logical algorithms	Péter Battyányi	10 attendances count 10% extra in the endterm written exam. (only valid for results higher than grade 1)
System programming	Imre Varga	Attending 5 lectures means number of allowed missed classes increases by 1
Software Development for Engineers	Gergely Kocsis	After 6 participations students can get +1 point to the project or to the theoretical test result (grade 1 cannot be raised to grade 2 this way)
Software Engineering and Technologies	Péter Jeszenszky	A lecture attendance is worth 1% to be added to your test result, at most 4% can be earned this way.
