

**WE ARE IN SEARCH
OF GREAT MINDS THAT
THINK NOTHING ALIKE.**

**Business Analyst Internship (Wealth Management)
Budapest**

During this internship you will have a chance to gain insight into Wealth Management's strategic objectives through the use and exploitation of its data and analytical assets at a top financial Firm. You will be part of the Wealth Management Knowledge Management team, working closely with the New York office. You can work in a flexible work arrangement, 20-40 hours per week.

You will:

- Assist in developing & refining business requirements through user stories to drive the development of Virtual Assistants
- Perform tasks related to testing, requirements traceability, defect documentation and enhancement validation
- Gain experience in data analysis, data visualization and reporting
- Contribute to the understanding of business needs and expectations
- Learn about the usage of conversational AI in an enterprise environment
- Participate in internal specialized trainings
- Work in an international team

You have:

- Ongoing studies (BSc or above) in Business Administration, Business Informatics, or similar fields
- Advanced written and spoken English skills
- Intermediate Microsoft Office skills
- Ability to work in close collaboration with a diverse global team
- Analytical, critical thinking, and problem-solving skills
- Motivation (self-starter) with sense of ownership, willingness to learn, high degree of curiosity and desire to succeed

You might also have:

- Software Testing knowledge
- Familiarity with visualization tools such as Tableau
- Financial Services Industry experience is an advantage

Application Process:

If you are interested in the above opportunity, please [apply here](#) by submitting your English CV.

Applications are reviewed on a rolling basis. We encourage you to apply as soon as you are ready.

About us:

Morgan Stanley is a global financial services firm and a market leader in investment banking, securities, investment management and wealth management services.

At Morgan Stanley Budapest, we are shaping the future of our global business and contributing to our local community. Our team works across numerous areas, including Technology, Mathematical Modeling, Finance, Risk Management, Operations and Data & Analytics from our new state-of-the-art offices near the Danube and our City Gate office in the heart of the city center.

Interested in flexible working opportunities? Morgan Stanley empowers employees to have greater freedom of choice through flexible working arrangements. Speak to our recruitment team to find out more.

Morgan Stanley is an equal opportunities employer. We work to provide a supportive and inclusive environment where all individuals can maximize their full potential. Our skilled and creative workforce is comprised of individuals drawn from a broad cross section of the global communities in which we operate and who reflect a variety of backgrounds, talents, perspectives, and experiences. Our strong commitment to a culture of inclusion is evident through our constant focus on recruiting, developing, and advancing individuals based on their skills and talents.
