Call for proposal to support the acquisition of industry certificates

The Faculty of Informatics of the University of Debrecen is committed to ensuring that students obtain industry certificates during their studies, which they can take advantage of with significant benefits in the labor market after receiving their degree. To support this goal, the Faculty has established the CERTIPORT exam center, within the framework of which it is possible to obtain certificates from the world's leading companies.

Under this call for proposal, the Faculty intends to support students who have passed an exam within the exam center and thus obtained an industry certificate under the following conditions.

Applicants:
Student with an active student status at the UD Faculty of Informatics.

Scope of eligible certificates:
Certificates obtained at the CERTIPORT exam center of the UD Faculty of Informatics.

Amount of support (scholarship):
For each certificate obtained, 40% of the gross exam fee paid, but not more than HUF 20,000.

Application submission time:
Continuously from 01 April 2022.

How to submit an application:
Electronically, via the email address certiport@inf.unideb.hu.

Documents to be attached to the application:
- Application form
- Proof of the obtained certificate

Debrecen, March 31, 2022

Dr. András Hajdu sk.
