

# **THE IT Solutions** presents

# Tech Academy

## What is Tech Academy?

It's our own **mentoring program** for those who want to **start their career** in IT as **frontend and backend developers**. A program for those who have **basic programming skills**, a lot of **motivation** and **eagerness to learn new technologies**!

## What can the mentees expect?

- ✓ 3-4 month of studying
- ✓ frontend and backend mentors
- ✓ personalized program
- ✓ learning up-to-date technologies
- ✓ challenging projects
- ✓ job opportunity

## What are the application requirements?

- basic programming skills
- conversational English skills;
- good time management.

Student status is **not** a requirement!  
Applicants of any age and profession are welcome!
